

# Get TWO Survey Solutions in One!

## C&G and Carlson Survey: Together at Last

### Calling all C&G Survey Users:

C&G Survey and Carlson Survey have finally been combined for the 2010 release. Users will be able to pick their favorite aspects of either software to work faster, better. There are also added functions to convert cross section data between C&G and Carlson and to convert C&G Point Groups to Carlson Lot files.
